### Product variant

24618-000-55 - black

### Data

Diameter	40 mm
EAN	4016842118748
Height	892 mm
Material	steel
Product Category	Starline
Special features	with the help of this adapter you can easily balance out uneven surfaces, stairs, steps or sloped surfaces; allows a height adjustment of max. 200 mm; if the surface is even, you simply leave the adapter in the initial position on the speaker foot
Suitable for tubing diameter of	35 mm
Type	black
Weight	1.05 kg

With the help of this adapter, you can compensate for uneven floors, stairs, steps or sloping positions in no time at all. The leveling leg is mounted one-time on one of the speaker stand legs and secured with a clamp. The required length is infinitely variable and allows a height adjustment of max. 200 mm. If no leveling is required, the adapter simply remains in the initial position on the speaker stand base.
