

26050

Microphone stand »Large«

Product variant

26050-300-55 - black

Data

Height	from 1050 to 1750 mm
Height adjustment	clutch
Leg construction	round base
Material	steel
Rod combination	2-piece folding design
Special features	significantly lightweight, but nonetheless stable due to the ingenious round base with an integrated steel plate with an attractive plastic cover; circumferential rubber profile reduces undesirable vibration and footfall noise
Threaded connector	3/8"
Type	black
Weight	3.2 kg

Microphone stand with extra-long extension for studio, stage or rehearsal room. The sturdy rod combination reaches a max. height of 1750 mm and is thus ideally suited even for the "tallest" musicians. The large round base scores with clear shapes and sophisticated functions. A circumferential rubber ring prevents unwanted vibration and footfall noise. The combination of visually appealing plastic cover and integrated metal plate ensures excellent stability.
