The world-renowned table-style keyboard stand has been upgraded. With a height adjustment range from 600 - 1000 mm the keyboard stand can now be used while standing or sitting. Adjusting the table does not require any tools. As before our keyboard stand impresses through its stability and flexibility. The stand is equipped with height adjustable legs with integrated levelling feet for uneven surfaces. The keyboard stand is collapsible for easy and compact transport. There is a wide range of expansion options, such as a stacker for a second keyboard, laptop or universal holder, which round off the complete package.
