Topline
2-piece folding design
105 x 85 x 985 mm
stable and sturdy; zinc die-cast base
3/8"
pure white

A more compact version of the classic 210/2. The combination of the long-legged 201A/2 mic stand and the 211/1 telescopic boom arm. Like the 210/2, the 210/9 sets the standard for professional microphone boom stands.
