High-quality aluminium light stand for professional use. The height adjustment from 1,755 to 3,000 mm is comfortable and safe thanks to a crank mechanism with »Auto Lock« locking system. The ergonomic operation proves to be simple and user-friendly. The robust stand is focused on stability and steadiness, so that the 5° stability test according to DIN 56950-3 with a load capacity of 35 kg is easily achieved. The compact transport dimensions are 1,733 x 150 x 202 mm and the weight is approx. 8.0 kg. The integrated M10 threaded bush can be used to directly mount additional trusses or individual spotlights.
