|---------------------------------|---|
| Diameter                        | 40 mm   |
| EAN                             | 4016842118748   |
| Gewicht                         | 1.03 kg   |
| Height                          | 892 mm  |
| Material                        | steel   |
| Quality level                   | Starline  |
| Special features                | with the help of this adapter you can easily balance out uneven surfaces, stairs, steps or sloped surfaces of max. 200 mm; if the surface is even, you simply leave the adapter in the initial position on the speaker foot |
| Suitable for tubing diameter of | 35 mm   |
| Type                            | black   |

With the help of this adapter, you can compensate for uneven floors, stairs, steps or sloping positions in no time at all. The leveling leg is mounted one-time on one of the speaker stand legs and secured with a clamp. The required length is infinitely variable and allows a height adjustment of max. 200 mm. If no leveling is required, the adapter simply remains in the initial position on the speaker stand base.
