<b>Type</b>	structured white
<b>Weight</b>	12.85 kg

Stable and representative column stand for disinfectant dispensers for commercial high-traffic areas such as hospitals, doctors' surgeries, hotels and restaurants, schools, event halls or retail outlets. Perfectly suited for individual positioning in the entrance or waiting area. Heavy cast iron base with a footprint of 420 x 420 mm and protective felt pads. The plastic drip cup is located at a height of 800 mm and can be removed for cleaning. The stable dispenser holder made of powder-coated metal is hygienically easy to clean and is equipped with two different drilling patterns. This allows Euro dispensers for 350/500 ml and 1,000 ml containers to be attached. The stand can also be extended with the information board 80390-000-55 for attaching information in DIN A4 size (210 mm x 297 mm). Please note that the stand is not a medically certified product. Euro dispenser and disinfectant are not included.
