<b>Type</b>	black
<b>Weight</b>	25 kg

This electric-powered height adjustable keyboard stand offers pure comfort and is ergonomically optimized for making music while seated or standing. The keyboard stand is based on the »Omega« 18810 with its various expansion options. The continuous height adjustment of the »Omega-E« is quick and easy for your desired seated or standing height through its integrated electric motor. Using the memory setting (including display), four different heights can be preset. After the system is set up, all that is needed is a tap of the control unit and the table assume the preset height. The adjustable height is between 597 and 1,257 mm. Using the "Desk Control? App with Bluetooth technology, you can easily operate the table via your Smartphone. The control unit can be mounted to the table. The integrated cable management keeps everything tidy. The frame and base are made of steel and together have a weight bearing load of up to 80 kg.
