## Smartphone holder

### Product variant

19762-300-55 - black

### Data

<b>EAN</b>	4016842121564
<b>Material</b>	plastic
<b>Special features</b>	particularly suitable for smartphones, flat devices and MP3 players; operating elements are not impaired in their function; freely rotates 360°; flexible holding arm for individual alignment
<b>Threaded connector</b>	3/8"
<b>Type</b>	black
<b>Weight</b>	0.11 kg
<b>Width</b>	from 45 to 90 mm

With this universal holder, your smartphone is always within reach. The holder is suitable for all flat devices with a width of 45 to 90 mm. The operation is quick and easy. Insert smartphone - press clamping jaws together - done. The device is released again at the touch of a button. The clamping jaws with integrated rubber pads guarantee a secure hold. The movable supports can also be folded away completely if necessary. Thanks to the ball joint, the holder can be tilted up and down and rotated through 360°. The flexible support arm with the 3/8" microphone thread connection makes the smartphone holder versatile.
