| Gewicht | 0.31 kg |
| Material | steel |
| Special features | suitable for overhead uses |
| Threaded connector | 3/8" and 5/8" |
| Type | black |

The short moveable microphone boom arm is suitable for many applications. It is particularly appropriate for overhead uses. There are 3/8" and 5/8" threaded connectors to take the microphone holder. Thanks to the flexible clamping, the boom arm can be positioned in length and angle with one simple movement.
