

26706

Base plate

Product variant

26706-000-76 - pure white

Data

Dimensions	550 x 550 x 27.3 mm
EAN	4016842114252
Material	steel
Special features	heavy, flat steel plate; includes a practical integrated handle and a cable management; depending on the requirements, there are three options for positioning the pedestal
Threaded connector	M20
Type	pure white
Weight	13.11 kg

Heavy and solid base plate for all common distance rods and tube combinations with M20 threaded bolt. Depending on the requirements, there are three options for positioning the distance rods. In addition to the centric and off-center position, the tube combination can also be fixed in the corner. Other useful features are the integrated handle, cable bushing and four sturdy felt-covered feet to prevent scratches and marks on the floor.
