| Type | black |

Attractive speaker stand with flat steel plate (406 x 406 mm), useful carrying handle and cable management. The stand is ideal for use where space is at a premium. Depending on requirements, there are three ways to position the stand column. In addition to the centric and off-center position, the rod combination can also be mounted in the corner. The height is fixed with a safety hook and secured with a low-noise, backlash-free clamping screw. The slim design of the clamp enables space-saving transportation and ensures a stylish appearance. The usable height is between 1,110 and 1,810 mm and is adjusted in 4 steps of 175 mm. The maximum load capacity when fully extended is 18 kg.
