<b>Product Category</b>	Topline
<b>Seat</b>	velvet covering, 16.929 x 15.354"
<b>Type</b>	black velvet
<b>Weight</b>	14.427 lbs

This drummer's throne is comfortable, convenient and solidly manufactured. The ergonomically shaped and elaborately upholstered seat with sweat-reducing velvet cover balances superior posterior support and freedom of motion. The height adjustment is carried out by a robust rotary spindle. A two-piece plastic-lined clamp fixes the desired seat height. The continuous height adjustment ranges from 18.307 to 26.378". A solid clamp connects the seat with the rotating spindle. The upper part remains rotatable even when fixed without self-adjustment of the spindle. The three double-braced legs and large rubber feet guarantee a stable stand. The matching carrying case 14003 is optionally available.
