

## 18811

## **Stacker**

## **Product variant**

US-18811-000-76 - pure white

## **Data**

| Angle of inclination | 0° to 20°   |
|----------------------|---|
| EAN                  | 4016842102631   |
| Gewicht              | 8.863 lbs   |
| Height               | from 10.31 to 14.76"  |
| Height adjustment    | spring-loaded clamping knobs                                  |
| Instrument support   | non-marring slip-proof material                               |
| Material             | steel   |
| Max. load capacity   | 55.116 lbs  |
| Quality level        | Topline   |
| Special features     | to hold an additional keyboard, laptop or<br>midi controller; |
|                      | can be tilted in 5 different positions from 0°                |
|                      | (horizontal) to 20°;  |
|                      | 4-way adjustable in depth                                     |
| Support depth        | 12.99"  |
| Туре                 | pure white  |
|                      |   |

The ideal complement to keyboard stands »Omega-E« 18800, »Omega« 18810 and »Omega Pro« 18820 to use a second keyboard or laptop. Bigger master keyboards can be placed on the large lower support arms. The depth of the upper support arms can be adjusted to 4 positions, so the lower keyboard remains visible. The desired height of the stacker can be set easily and quickly using the spring-loaded clamping knob. 10 different heights allow each user to be able to find a position that best suits his/her needs. To optimize the position the upper support arms can be adjusted in 5 steps from 0° (horizontal) to a 20° angle. Self-adhesive rubber pads ensure that the instrument is not damaged and stays in place. The stacker is also the basis for an extension to a third level. By removing the back cover, the stacker 18822 can be inserted to take a third keyboard.
