This newly designed holder for the keyboard tables 18810 »Omega«, 18820 »Omega Pro«, 18950 and 18953 provides a good view of your laptop. You won't find a more versatile laptop holder. The holder is infinitely adjustable in height, distance and direction. The desk angle can also be adjusted. In addition, the holder can be attached to any of the legs of a keyboard stand. The adjustable stop pins mean the laptop connections are always accessible. The support shelf is also suitable for small items of equipment, e.g. an iPad.
