Special features	for special stage and studio applications adjustable up to 122.047"
Threaded connector	5/8"
Type	black
Weight	8.326 lbs

This compact overhead microphone stand is now even lighter and more stable. Thanks to a new leg combination and a new clamping element, its weight has been reduced to 8.37 lbs. The leg base diameter of 39.37 affords stability and safety. A range of different boom arms can be attached using the 3/8" thread adaptor. The stand extends to a height of over 120".
