 MADE IN GERMANY

Attractive and useful table stand for disinfectant dispensers of the container sizes 350/500 ml and 1.000 ml. Perfectly suitable for the reception or sales counter, bars or on the office desk. The stable powder-coated metal construction is hygienically easy to clean and is equipped with two different drilling patterns. Four rubber pads ensure a secure stand and protect the table surface from scratching. Please note that the stand is not a medically certified product. Euro dispenser and disinfectant are not included.
