extra high

The standard music stand 10050 is extra-long? i.e. extra tall. With a height of 25.197 - 59.055", this tall music stand is well suited for standing musicians, particularly for tall musicians. The clamping elements for height adjustment and the adjustable head made of zinc-die cast material are extremely robust and provide the required stability and sturdiness for this music stand. The legs can be adjusted according to the musicians #39;s individual needs. The powder coating is non-abrasive and durable. The music stand is collapsible and easy to transport.
