<b>Weight</b>	22.753 lbs

The compact steel tubing construction and the large round levelling end caps give this attractive keyboard table exceptional stability. The spring-loaded clamping knobs on both columns allow easy and precise height adjustment. The support arms can be individually adjusted to the size of your keyboard. Thanks to the folding legs a compact and flat pack size is achieved, making the »Omega Pro« the perfect mobile "travel companion". The design of this table matches the piano benches 14080, 14081, 14085 and 14086. Optionally available are the attachments 18811 for a second and 18822 for a third level, allowing the use of a second or third keyboard. With the aid of the 18814 adapter, the 18817 universal holder can also be mounted quickly and easily on the keyboard stand. Delivery includes a carrying strap.
